Show Rules & Regulations:

INFORMATION FOR EXHIBITORS

The International Liquid Terminals Association (ILTA), its officers, employees, and agents involved in the management of the Conference & Trade Show shall have full authority to interpret and enforce all rules and regulations governing Exhibitors. All matters and questions not specifically addressed in the rules shall be subject to final determination by ILTA. The rules may be amended at any time by ILTA upon written notice by ILTA to Exhibitors.

ILTA reserves the right to evict any person who does not abide by the rules and regulations established for this event. In addition, failure to comply with these policies may result in loss of priority as an exhibitor and/or exclusion from future trade shows.

Cancellation of Trade Show/Force Majeure

It is mutually agreed that in the event of cancellation of the ILTA Trade Show due to force majeure, including but not limited to acts of God, government regulation, disaster, strikes, civil disorder, damage to the facility and/or its environs, major construction at the facility, or some emergency making it inadvisable, illegal, or impossible to provide accommodations and/or meeting facilities, or for attendees to reach the meeting site in the foregoing circumstances, this agreement shall be terminated and ILTA will determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after due consideration of expenditures and commitments already made.

Exhibitor Eligibility

ILTA reserves the right to determine the eligibility of any exhibitor. Exhibits and the conduct of exhibitors are subject to ILTA's approval. ILTA reserves the right to require modification of any exhibit that is not appropriate for ILTA's terminal industry trade show. This applies to displays, literature, advertising, novelties, souvenirs, and the conduct of representatives. The acceptance of an exhibitor does not indicate an endorsement by ILTA of any equipment, supply, or service and exhibitors may not state or imply any such endorsements to any third party.

Exhibit Operations

- Exhibit booths must be always staffed by at least one responsible company representative during show hours.
- Exhibit booth floor must be covered by appropriate carpeting or other material prior to the opening of the trade show. Floor covering is not included in the exhibit fee. If the booth floor is not covered, ILTA will request carpet and bill the exhibitor.
- Exhibits may not be taken down prior to the closing of trade show on Wednesday, May 24.
- No food or beverage service other than that provided by the convention center is allowed anywhere on the premises.

Show Rules & Regulations: Information for Exhibitors (cont.)

Exhibit Operations (cont.)

- All booths must be kept clean to the satisfaction of ILTA. If necessary, ILTA may request booth cleaning and bill the exhibitor.
- For their own protection, minors are not permitted in the exhibit area at any time, including move-in and move-out or at the social and networking events.
- Exhibitors will abide by all laws, rules, regulations, and ordinances of all government authorities and those of the facility, and agree that said laws, rules, regulations, and ordinances supersede any rights of the exhibitor.
- ILTA has the right to impose further reasonable rules and restrictions that it deems necessary.

Booth Personnel and Marketing Activities

- Booth personnel and their contractors must maintain a professional appearance and always wear appropriate apparel. Business or business casual attire is recommended.
- Show management reserves the right to make determinations on appropriate apparel.
- Exhibitors must confine their activities to the space for which they have contracted. Strolling entertainment is prohibited. Souvenirs/samples may be distributed only from the confines of the booth.
- All marketing must remain within the contracted exhibit space.
- Marketing materials may not be placed in any area that is not within the boundaries of the exhibit booth.
- Show management reserves the right to remove individuals or discard display materials that do not comply with these guidelines.

Noise

- Exhibitors may not use amplifying equipment that is distracting to the atmosphere of the exhibition or annoying to neighboring exhibitors.
- ILTA reserves the right to impose limitations on noise levels and any method of operation that becomes objectionable. Such equipment shall be kept at a sufficiently low volume so as not to project beyond the confines of the Exhibitor's booth.
- No music of any kind is permitted in the exhibit areas. Any exhibit display in violation of this rule will be disassembled by show management.

Booth Displays

Advertising, logos, and displays are not to exceed 8 feet in height. No exhibit may exceed 4½ feet in height if it extends over 5 feet forward from the back drape. Freestanding back walls must be within 18" of the back drape. All exhibitors wishing to exceed 8 feet in height must be in an island configuration. These requirements are necessary to provide visual access to all booths. All unfinished parts of a display/exhibit that are exposed and facing an aisle or neighboring exhibitor must be curtained off at the exhibitor's expense. Any exhibit display in violation will be disassembled by show management.

Any tent, canopy, Double Decker, or covered booth will require a standby. If 50% or more of the top is covered with a material that will not allow water to reach the floor underneath, this will require a standby. Any tent/canopy that exceeds 1,200 sq. ft. or greater will require a Tent permit from the Houston Fire Department.

Types of Booths

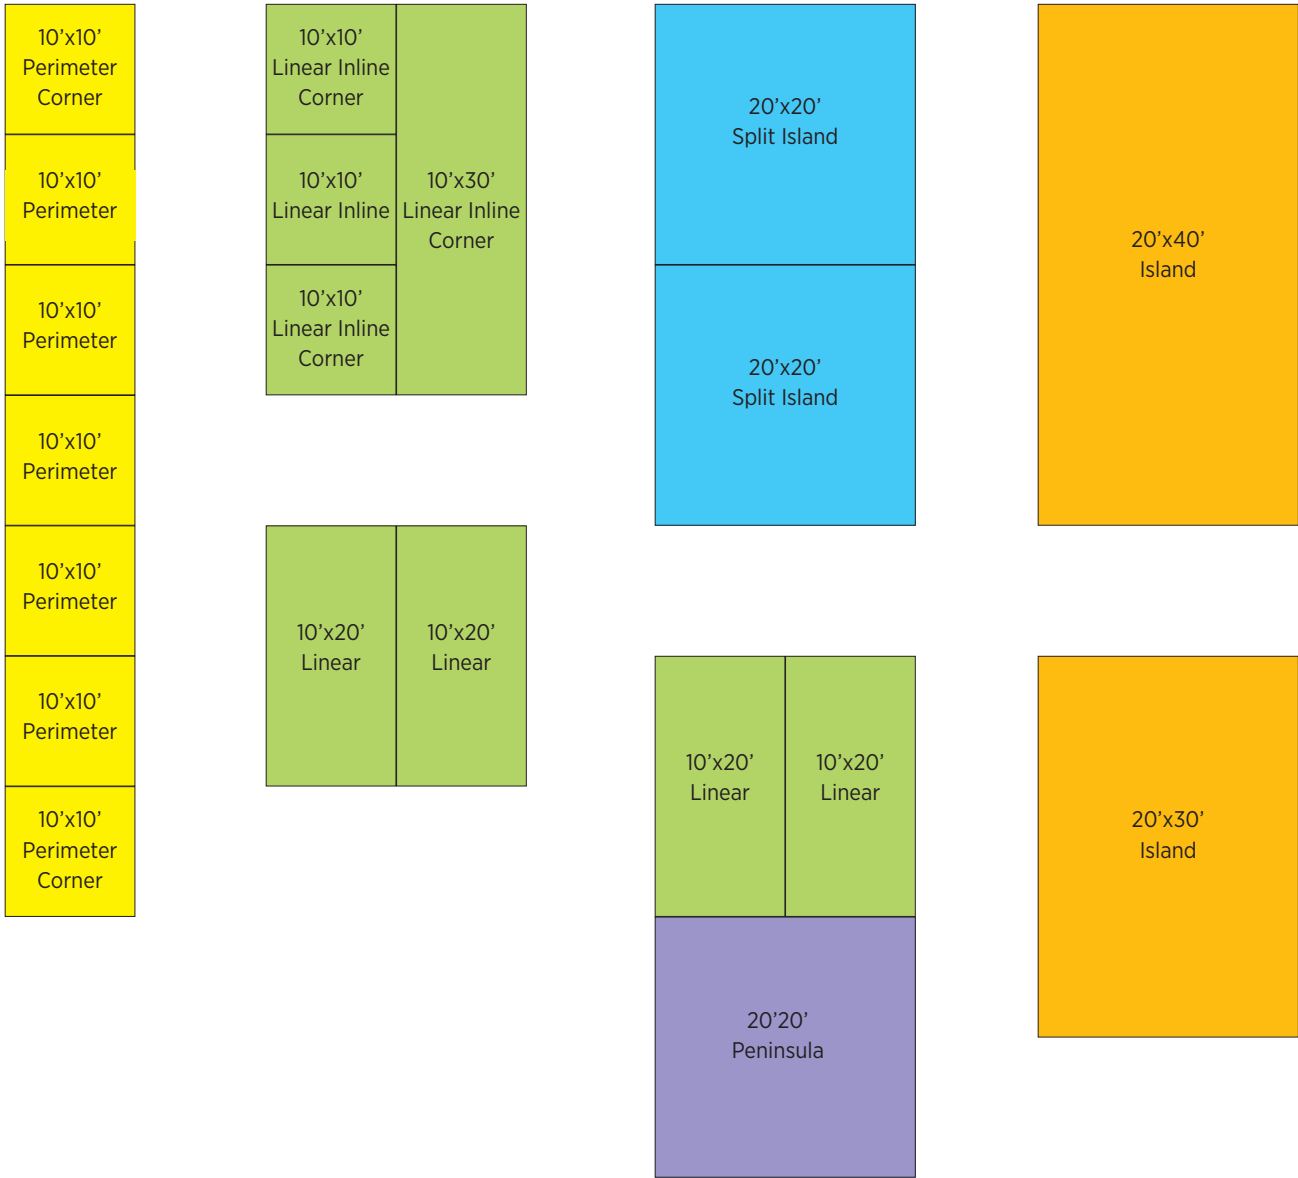

LINEAR/INLINE (GREEN): Linear Booths, also called “inline” booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle.

PERIMETER (YELLOW): A Perimeter Booth is a Linear Booth that backs to an outside wall of the exhibit facility rather than to another exhibit.

PENINSULA (PURPLE): A Peninsula Booth is exposed to aisles on three sides, and is a minimum of 400 sq. ft. There are two types of Peninsula Booths: (a) one which backs to Linear Booths, and (b) one which backs to another Peninsula Booth and is referred to as a “Split Island Booth.”

SPLIT ISLAND (BLUE): A Split Island Booth is a Peninsula Booth, which shares a common back-wall with another Peninsula Booth.

ISLAND (ORANGE): An Island Booth is any size booth exposed to aisles on all four sides.

Booth Height Restrictions

Linear Exhibits (“IN-LINE”)

- **NO HANGING SIGNS PERMITTED**
- **Back wall height limitation of all structures including logos is 8’**

Display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of exhibits (including decorations) is 8’. All display fixtures over 4’ in height and placed within 10 lineal feet of an adjoining exhibit must be confined to that area of the exhibitor’s space that is at least 5’ from the aisle line. No solid exhibit construction may exceed 42” in height except in the rear one-half of the booth. The intent of the height and depth restrictions is that each exhibitor is entitled to a reasonable sight line from the aisles regardless of the size of exhibit.

Corner Exhibits

- **NO HANGING SIGNS PERMITTED**

A Corner Booth is a Linear Booth (“In-Line”) exposed to aisles on two sides. All other guidelines for Linear Booths apply.

Island Exhibits (20’ x 20’ or larger)

- **Height limit INCLUDING signage is 25’ (Top of sign at 25’)**

An Island Booth is any size booth exposed to aisles on all four sides.

Dimensions: An Island Booth is typically 20’x20’ or larger, although it may be configured differently.

Use of Space: The entire cubic content of the space may be used up the maximum allowable height.

Peninsula Exhibits

- **NO HANGING SIGNS PERMITTED**
- **Back wall height limitation of all structures including logos is 8’**

A Peninsula Booth is exposed to aisles on three (3) sides and composed of a minimum of four booths. There are two types of Peninsula Booths: one which backs up to Linear Booths, and one which backs to another Peninsula Booth and is referred to as a “Split Island Booth.”

Dimensions: A Peninsula Booth is usually 20’x20’ or larger. When a Peninsula Booth backs up to two Linear Booths, the back wall is restricted to four feet (4’) high within five feet (5’) of each aisle, permitting adequate line of sight for the adjoining Linear Booths.

End-Cap Exhibits

- **NO HANGING SIGNS PERMITTED**
- **Back wall height limitation is 8’**

An End-cap Booth is exposed to aisles on three sides and composed of two booths.

Dimensions: End-cap Booths are generally ten feet (10’) deep by twenty feet (20’) wide. The maximum back wall height of eight feet (8’) is allowed only in the rear half of the booth space and within five feet (5’) of the two side aisles with a four foot (4’) height restriction imposed on all materials in the remaining space

Please refer to the diagrams immediately following for a pictorial description of the blocking rules and height restrictions.

Checking in with Show Management

A representative from each exhibiting company must check in at the Exhibitor Registration Desk by 8:00 AM on Tuesday, May 23, 2023. After that time, unclaimed booth space will be awarded to other exhibitors. If this occurs, the “no-show” exhibitor will not be entitled to a refund of the exhibit fee, and the exhibitor may not be allowed to exhibit in future ILTA shows.

Subletting Exhibit Space

Subletting exhibit space is prohibited. The exhibiting company signing the booth contract must occupy the space.

Sharing Exhibit Space

Sharing space must be approved by ILTA in advance and in writing at least 4 weeks prior to event. Only affiliated companies are permitted to share booths. Companies requesting to share a booth must provide information on the affiliation between companies. By affiliated, we mean a parent company and its subsidiary, or a group of affiliated companies all owned by a parent company. Typical commercial relationships, or arrangements for providing mutual assistance, are not adequate to justify booth sharing. Shared booth space must be 10x20 or larger.

Solicitation

Solicitation by non-exhibitors is strictly prohibited. Non-exhibitors found soliciting outside of a booth should be reported to ILTA, and they will be removed from the trade show floor.

Hospitality Suites and Meetings

- Non-exhibitors may not host meetings or hospitality suites at the Marriott Marquis-Houston, the Hilton Americas-Houston or the George R. Brown Convention Center from May 22-24, 2023.
- Requests to host meetings or hospitality suites at the Marriott Marquis-Houston, the Hilton Americas-Houston or the George R. Brown Convention Center must be approved by ILTA at least 4 weeks prior to event. Companies receiving approval to host a hospitality suite must agree to comply with the terms of the ILTA Hospitality Suite Agreement.
- Meetings or social activities (including hospitality suites) may not be scheduled during ILTA meetings, exhibition hours, or other ILTA sponsored functions.
- Hospitality suite attendance may not be solicited by individuals who are not full-time employees, agents or representatives of the sponsoring company.
- Other than in-hotel hospitality suites, any exhibitor sponsoring a function to which 25 or more people are invited must submit its plan to ILTA for review and approval prior to scheduling the function.
- Food, beverage, and service personnel (bartenders, hosts, etc.) must be obtained through the convention center/hotel catering department.
- Suite activities should not include elaborate entertainment, or expensive door prizes.
- ILTA reserves the right to deny permission for hospitality suites and the marketing of hospitality suites.

Insurance Requirements

Houston First Corporation and The George R. Brown Convention Center require all exhibitors carry insurance, including workers' compensation, before exhibitors are allowed to move in to the facility. An original Certificate of Insurance is due to ILTA by May 8, 2023 and must include the dates May 22–24, 2023.

- Commercial General Liability insurance against claims for bodily injury or death and property damage occurring in or upon or resulting from the premises. The coverage must provide protection of not less than \$1,000,000 per occurrence, and \$2,000,000 aggregate and such insurance shall include (a) advertising injury and (b) personal injury; and
- Workers' Compensation (statutory amount).

ILTA, Houston First Corporation, and the City of Houston shall be named as an additional insured on exhibitor's policies, except workers' compensation, without any restrictive modifications. All policies shall show the exhibitor's name as it is known to ILTA and shall contain an endorsement waiving any claim or right of subrogation against ILTA.

The issuer of any policy shall have a Best's rating of at least B+ and a Best's financial size category of Class IV or better, according to the most recent edition of Best's Key Rating Guide, Property-Casualty United States.

Any exhibiting company that does not provide a valid certificate of insurance to ILTA by May 8, 2023, ILTA will purchase insurance on their behalf and will be invoiced at a later date.

Payment / Fees

1. Membership dues for 2023 must be paid in full by the booth payment deadline for the member fee to apply.
2. In addition to the actual exhibit space, the fee includes an 8' high back drape and 3' high side rails, a company identification sign, aisle carpet throughout the exhibit hall, aisle signs identifying booth numbers, general security during the official show hours, a full listing with contact information and company description in the show guide and on the mobile app, and the final registrant mailing list.
3. Exhibitor agrees that a NON-REFUNDABLE deposit equal to 50% of the total booth fee is due within 45 days of application submission. Exhibitor also agrees to pay remainder of the booth fee no later than February 28, 2023. Fees are not refundable after February 28, 2023. Make all checks payable to ILTA.
4. Companies applying for booth space after February 28, 2023 must pay the full booth fee when submitting application.

Exhibitor Move In & Set Up

- Sunday, May 21 8:00 AM – 3:00 PM
- Monday, May 22 7:30 AM – 5:00 PM

All exhibits must be set up by 10:00 AM on Tuesday, May 23. All empty shipping crates and cartons shall be labeled identifying the company name and booth number for storage during the show. Proper labeling will facilitate the return of packing materials at the close of the show. Exhibitors handling their own freight must make their own arrangements for storage during the show. Please note that the convention center has no storage facilities. Any exhibitor using an independent contractor for setting up and/or tearing down a booth must provide a certificate of general liability insurance from that contractor to ILTA (*see insurance requirements above*).

All exhibits must be set up by 10:00 AM on Tuesday, May 23. Exhibitors who have failed to complete set-up by 10:00 AM on Tuesday, May 23 will be fined \$1000 and will be deducted 5 priority points from their company profile.

Exhibitor Move Out & Tear Down

Wednesday, May 24 12:00 PM – 7:00 PM

As a consideration to ILTA attendees and exhibitors, no exhibit may be dismantled or any booth abandoned prior to 12:00 PM on Wednesday, May 24. Dismantling exhibits includes packing equipment, literature, display materials, graphics, giveaways, or in any way altering the appearance of an exhibit. Dismantling exhibits or “preparing to dismantle” before the show closes is prohibited. Failure to comply with this policy will result in a fine of \$500.00, loss of booking priority as an exhibitor, and exhibitor may lose the right to exhibit in future ILTA shows. ILTA staff and floor monitors will be monitoring the aisles to enforce this policy. Any material left on the trade show floor after 7:00 PM on Wednesday, May 24 that is not packed, crated, or covered by a Bill of Lading for shipment will be packed, shipped, or stored at the discretion of Freeman Decorating Company (FDC) with all expenses billed to the exhibitor of record.

HELPFUL HINTS

SAVE MONEY

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by April 24, 2023.

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation.

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 BEFORE THE SHOW

booth structure

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 carpet

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 shipping

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 graphics

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 printing

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

ON SITE

save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

8

shipping out

Pack in, pack out.

Leave no traces on show site.

Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation about joining a caravan** to your next show.

9

leftover materials

Remember to label.

Clearly **label recyclable leftover material** for disposal.

Donate the rest.

Ask the Freeman Exhibitors Services desk about local donation programs.

7

MOVE OUT

train your team

Educate your installation and dismantling teams about **recycling and donation processes.**

WHAT ARE FREIGHT SERVICES?

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times, and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will be rerouted on Freeman's carrier choice at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

POV & CART SERVICE

Freeman will provide Cart Service for your event. Cart Service is a feature for Privately Owned Vehicles (POVs) that meet the requirements below.

DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart scooter will assist exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. Freight must not exceed 300 lbs. For safety reasons, it will be the judgment of the freight supervisor if the load can go higher than 3 feet. Cart Service includes storage of empty cardboard/product boxes at no additional charge. Empty stickers for your cartons and cases will be provided for this service.

RATES:

This service is available at a round trip rate of \$133.25 per trip (from the dock to the booth and the booth to the dock).

DIRECTIONS:

- To receive this service, proceed directly to the facility and check in at the designated POV Check-In area for staging, checking in, processing paperwork and determining if vehicles are qualified for Cart Service. There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- The determination of Cart Service versus Material Handling will be made at the discretion of Freeman management. Any disputes will be handled at the time of unloading.

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

UNION JURISDICTIONS FOR THE TEXAS LOCAL UNIONS

THE FOLLOWING GUIDELINES APPLY IN THE TEXAS REGION:

We are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction that the various unions have, we ask that you read the following:

ELECTRICAL LABOR & PLUMBING

Responsible for the installation and distribution of all electrical outlets, cables and distribution equipment. This includes extension cords installed under carpet or any other type of flooring. Freeman is responsible for any hardwiring of equipment to installed electrical cables or disconnecting devices. Exhibitors are permitted to install their own lights, monitors, and other A/V equipment.

Freeman is responsible for the installation and distribution of all water lines and the filling and draining of all water tanks. Exhibitors are permitted to connect their equipment to the lines installed by Freeman.

MATERIAL HANDLING LOCAL UNION LABOR

The Local Union has jurisdiction for the operation of all material-handling equipment, all unloading and reloading, and the handling of empty containers.

Exhibitors may unload their own personal vehicles provided they do not use any material handling equipment (fork-lifts, flatbeds, dollies, pallet jacks, etc.)

Freeman will control access to the loading docks in order to provide for a safe and orderly move-in/move-out.

INSTALLATION & DISMANTLE LABOR - LOCAL UNION LABOR

The Local Union has jurisdiction for the installation and dismantling of all exhibits including carpet, furniture, and hanging signs. All hired labor must belong to Local Union. Labor can be ordered in advance by returning the enclosed form, or on showsite, at the Freeman Service Desk.

Three options for installation and dismantle labor exist in Texas. Labor may be:

- performed by full-time employees of the exhibiting company; or
- hired through Freeman, the official general service contractor; or
- hired through an exhibitor-appointed contractor.

PLEASE NOTE:

- Please do not tip any employee. Do not give coffee breaks, for union employees have a fifteen minute paid break mid-morning and mid-afternoon. Any attempt by an employee to solicit a gratuity for any service should be reported immediately to Freeman and/or Exhibit Management. Union employees are paid a good wage scale, and tipping is strongly discouraged and is not an accepted policy of any Official Service Supplier.
- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of Freeman. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Freeman Service Center and discuss it with the person in charge.
